UN GIORNO D'AUTUNNO NELLA IC DELLE
ELEMENTARI DI UN PICCOLO PAESE IN
PROVINCIA DI ROMA...

IL PICCOLO BRUNO, TORNATO A CASA
SI METTE IMMEDIATAMENTE A LAVORO

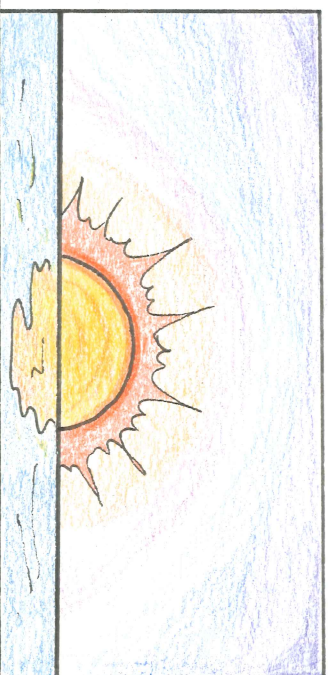

Ma ancora ci credono
a sta robaz?!?

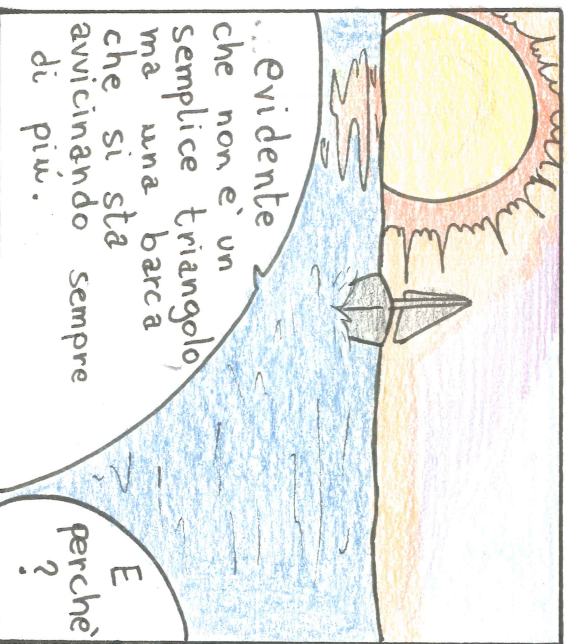

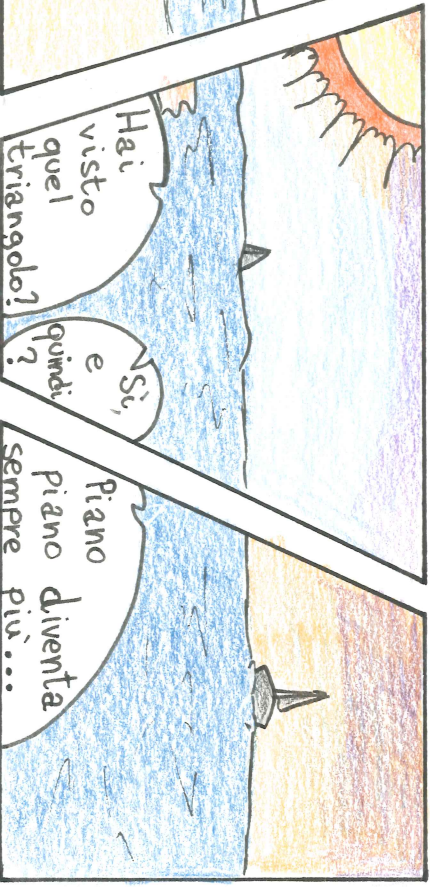

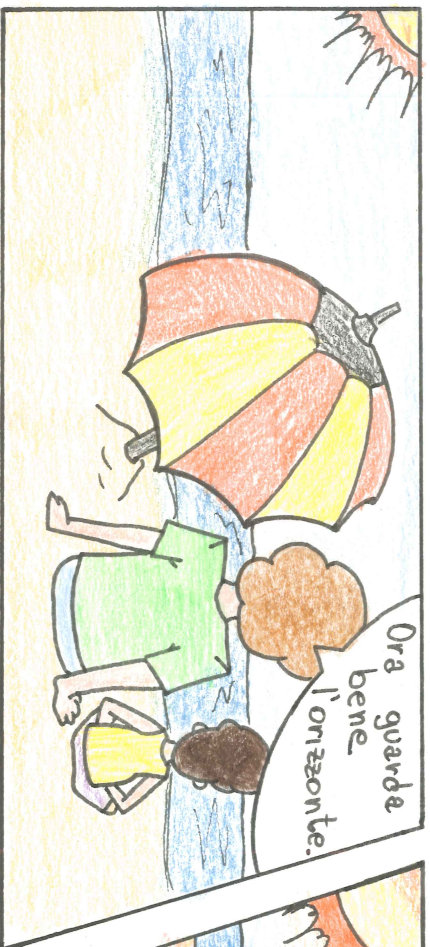

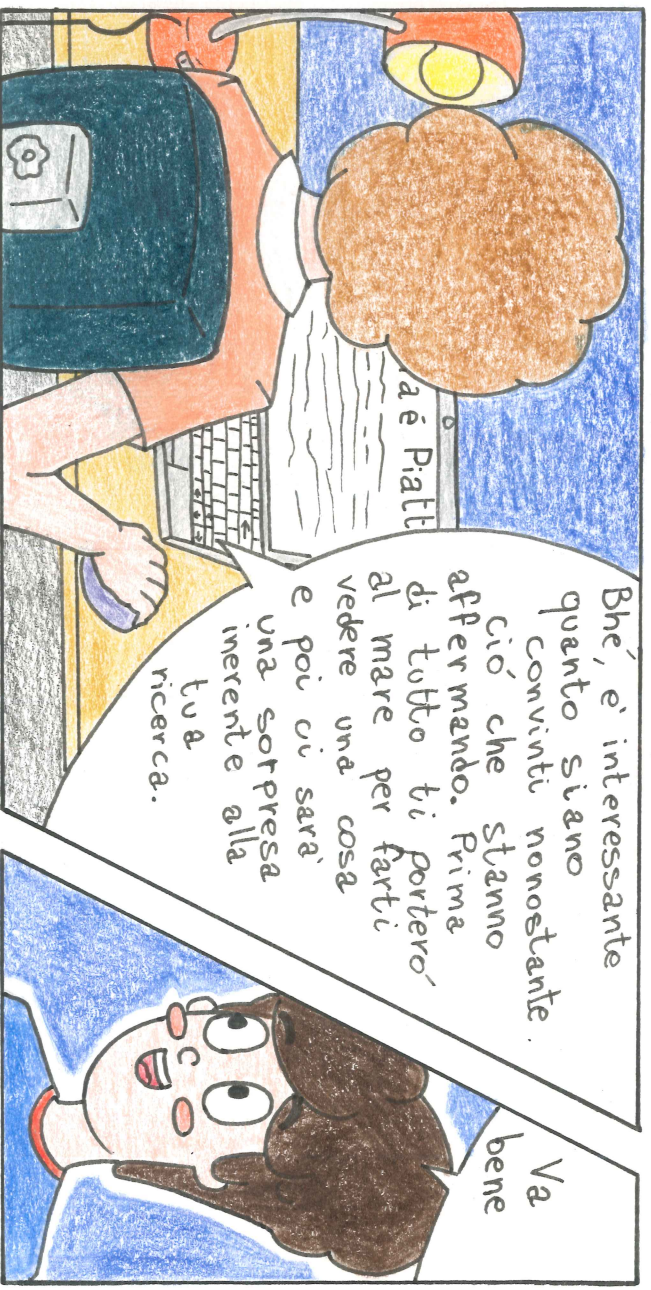

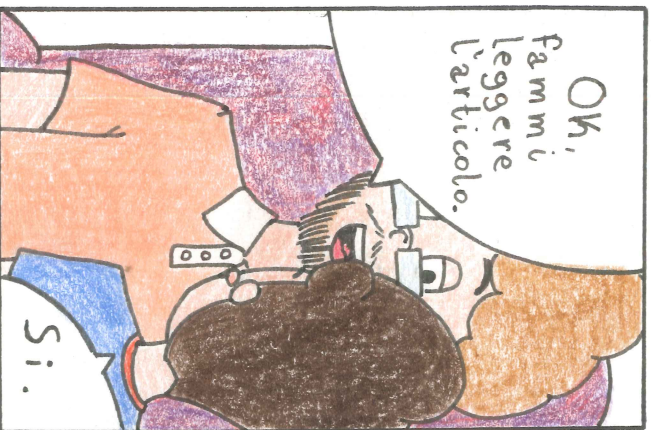

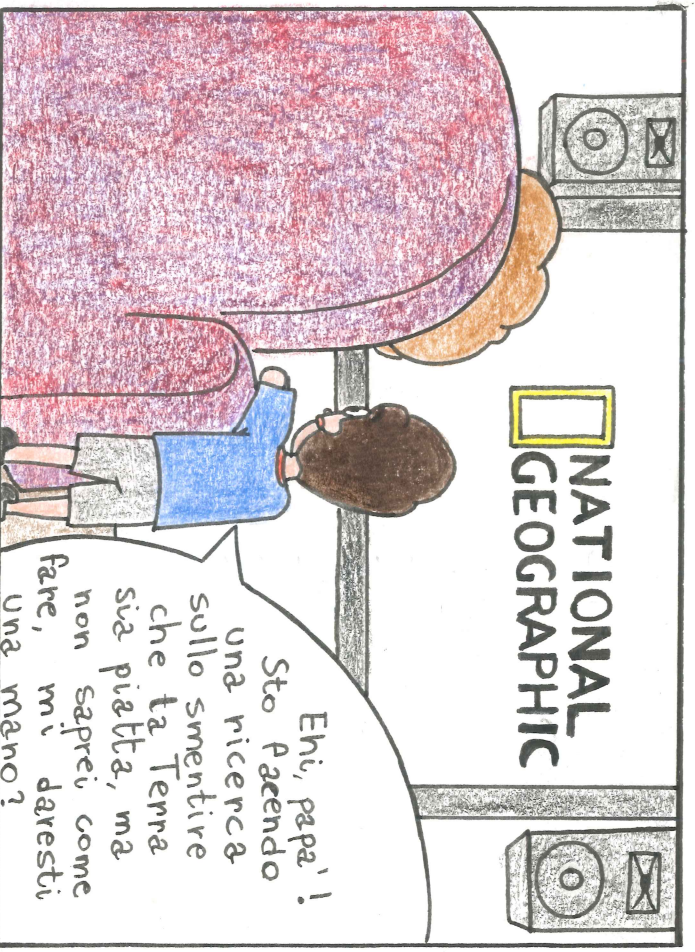

ANCHE SE SA CHE NON E' VERO
CHE LA TERRA E' PIATTA, IL
PICCOLO BRUNO VUOLE INFORMARSI...

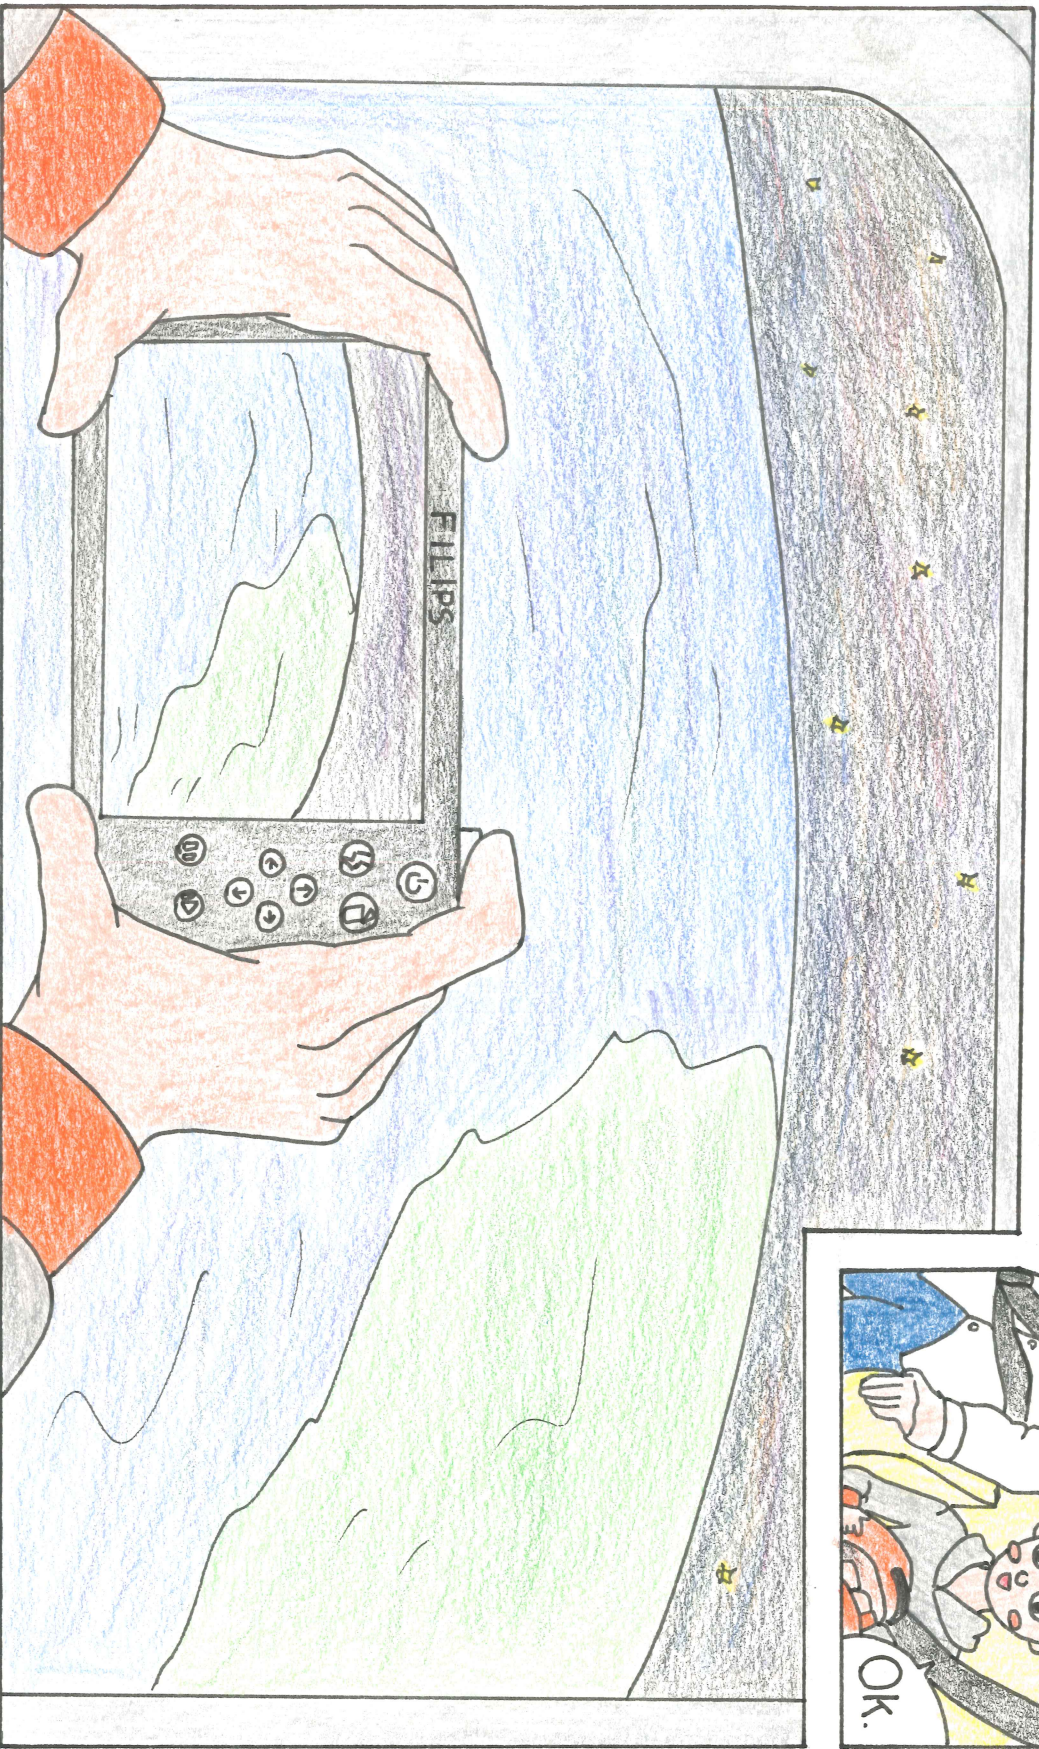

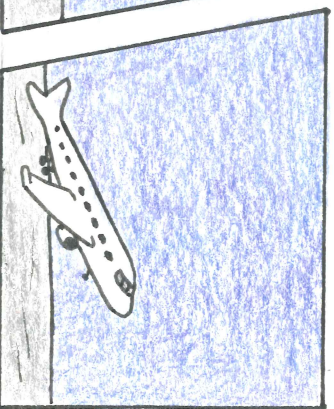

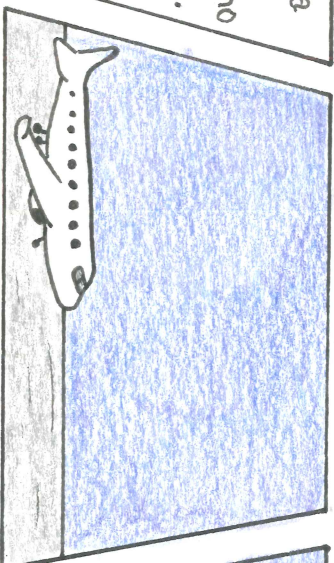

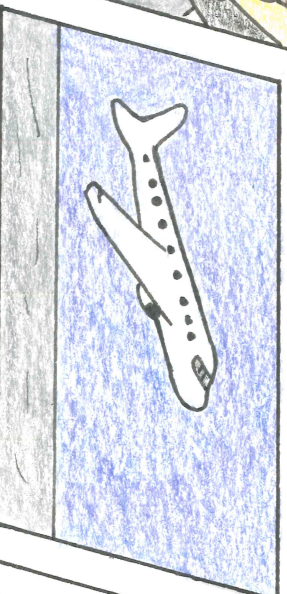

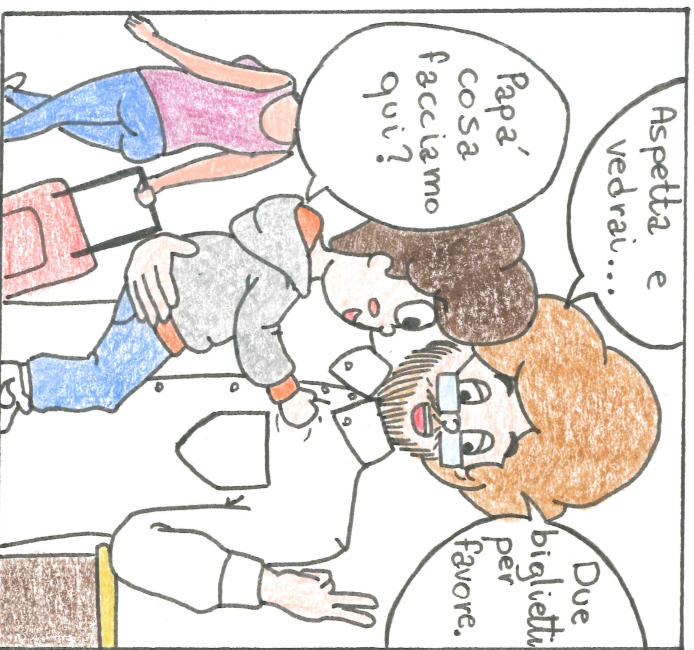

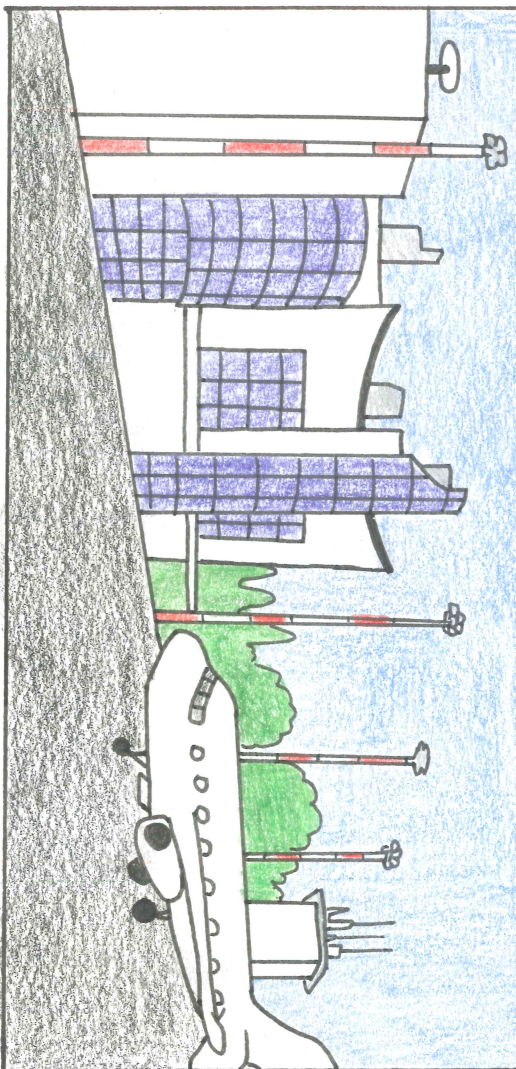

La Terra è Piatla

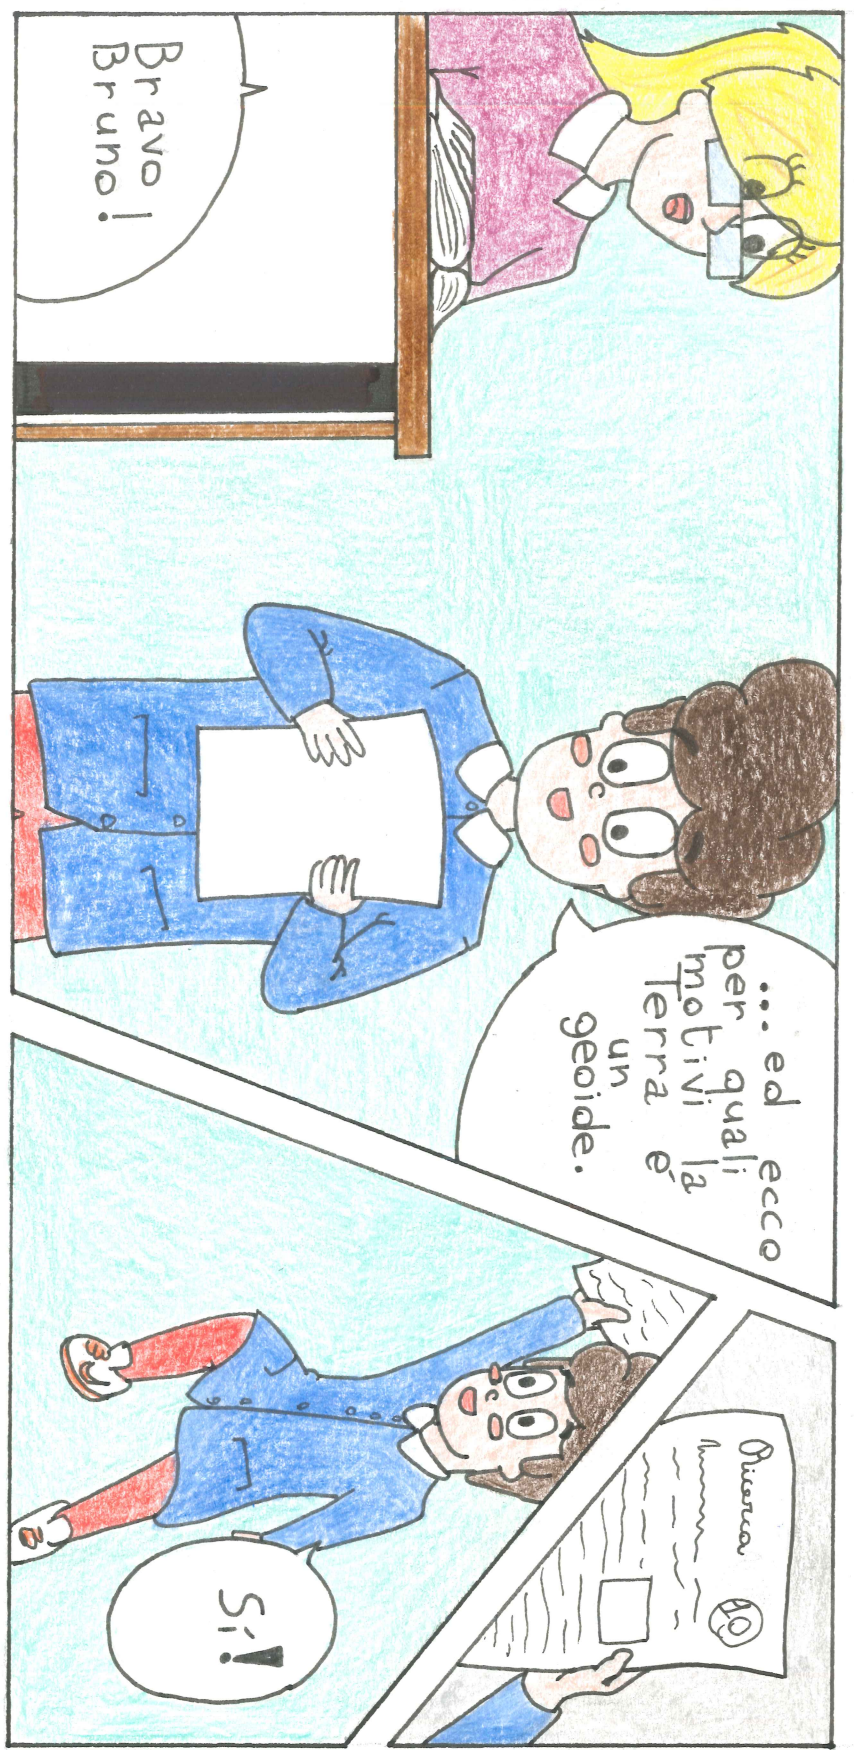

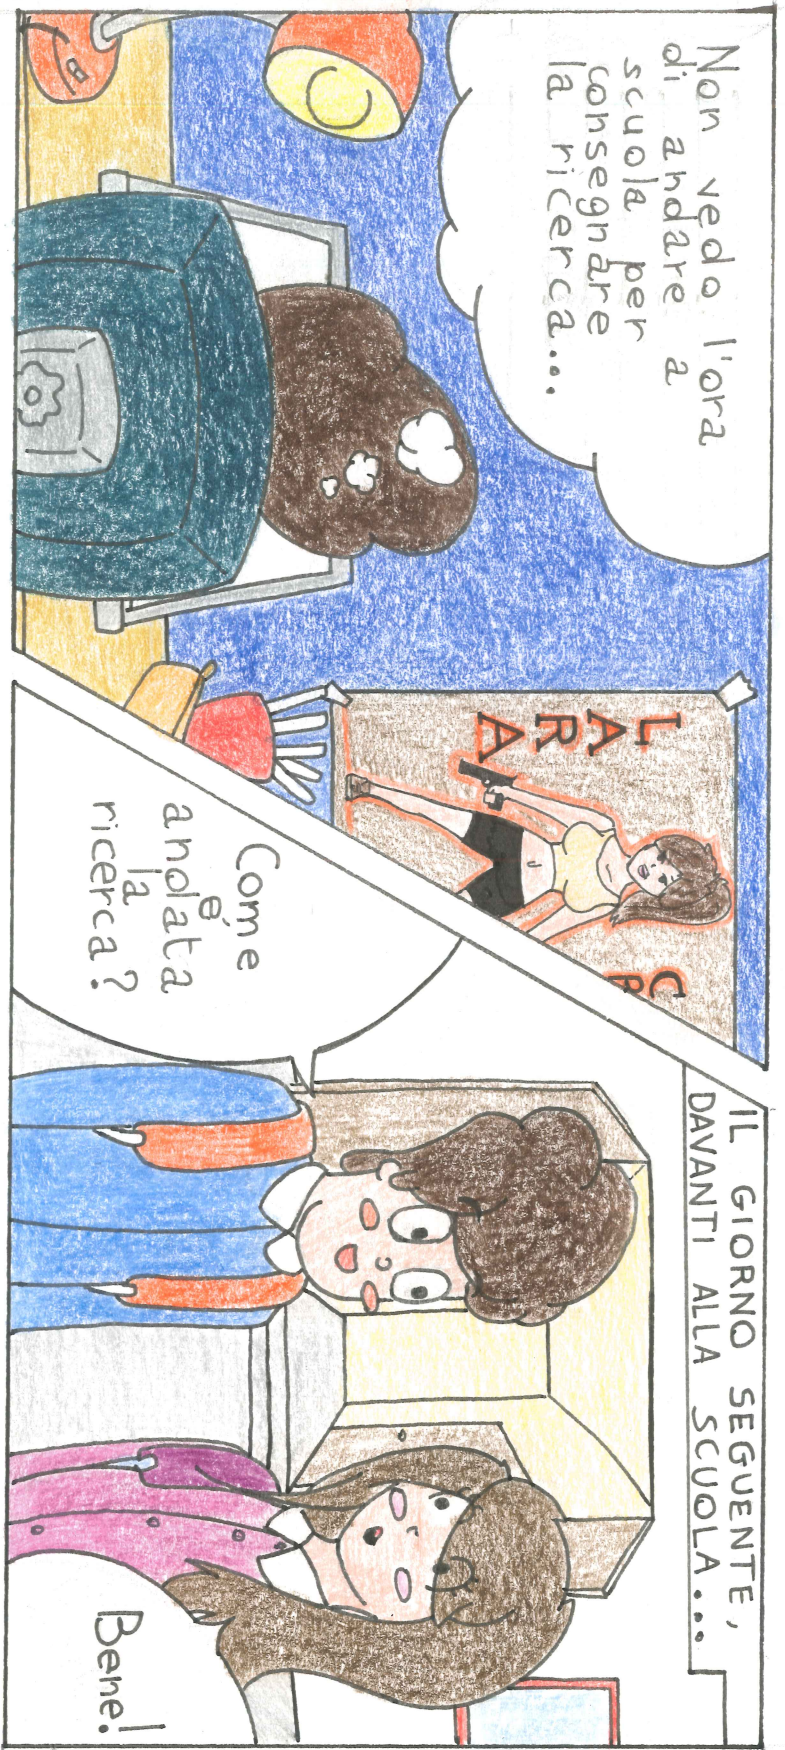

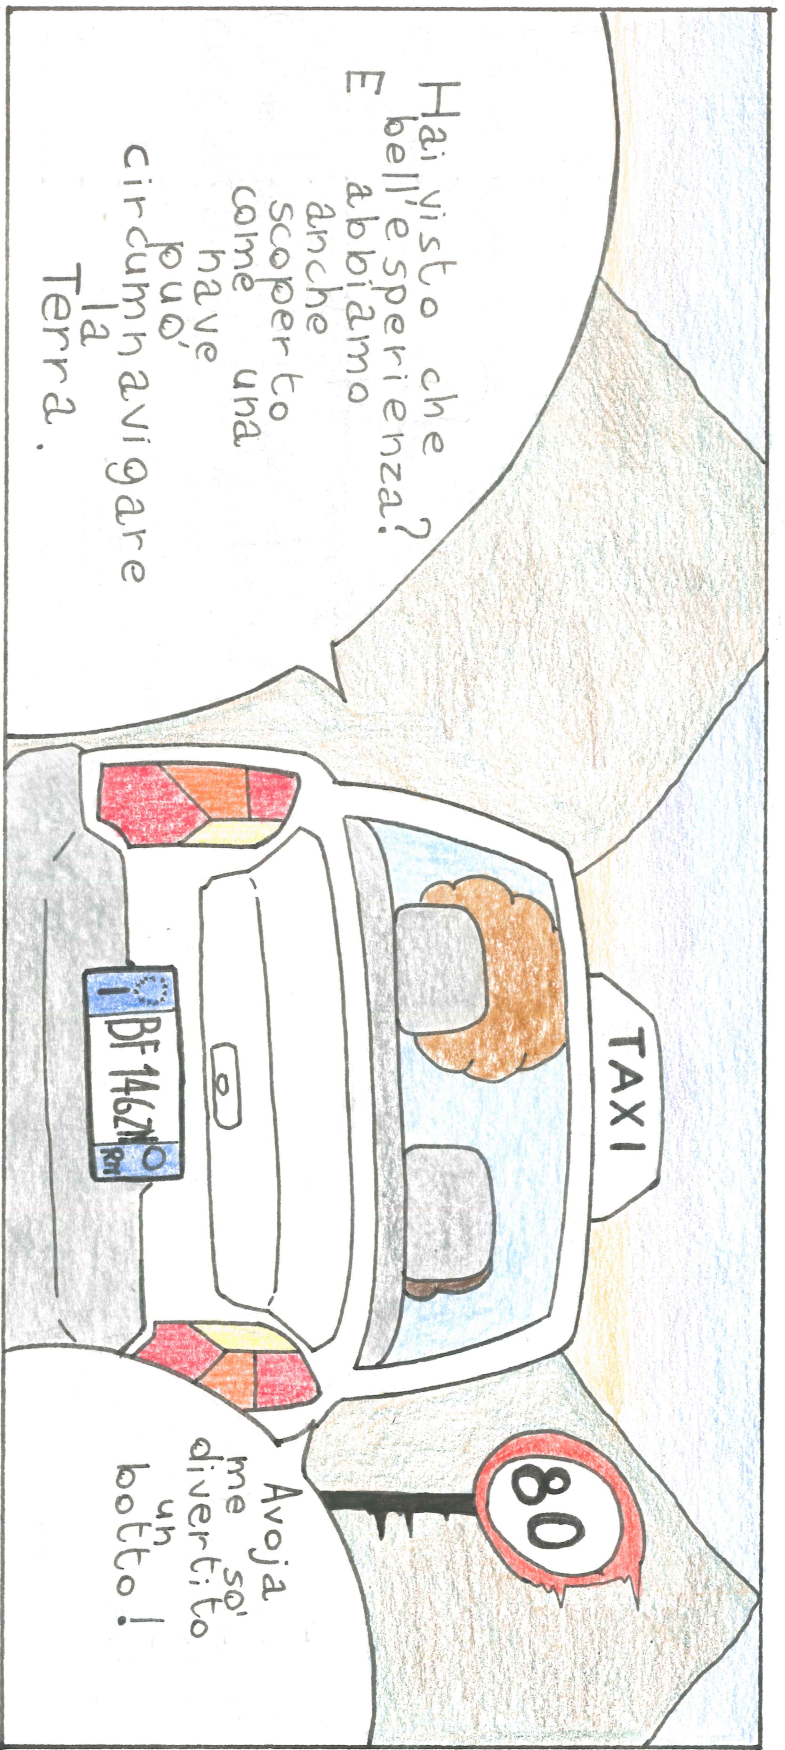

La Terra è Piatla
La Terra è piatta e abbiamo le prove,
infatti, l'orizzonte appare sempre
perfettamente piatto per 360°
attorno all'osservatore, a qualunque
altezza egli si trovi.

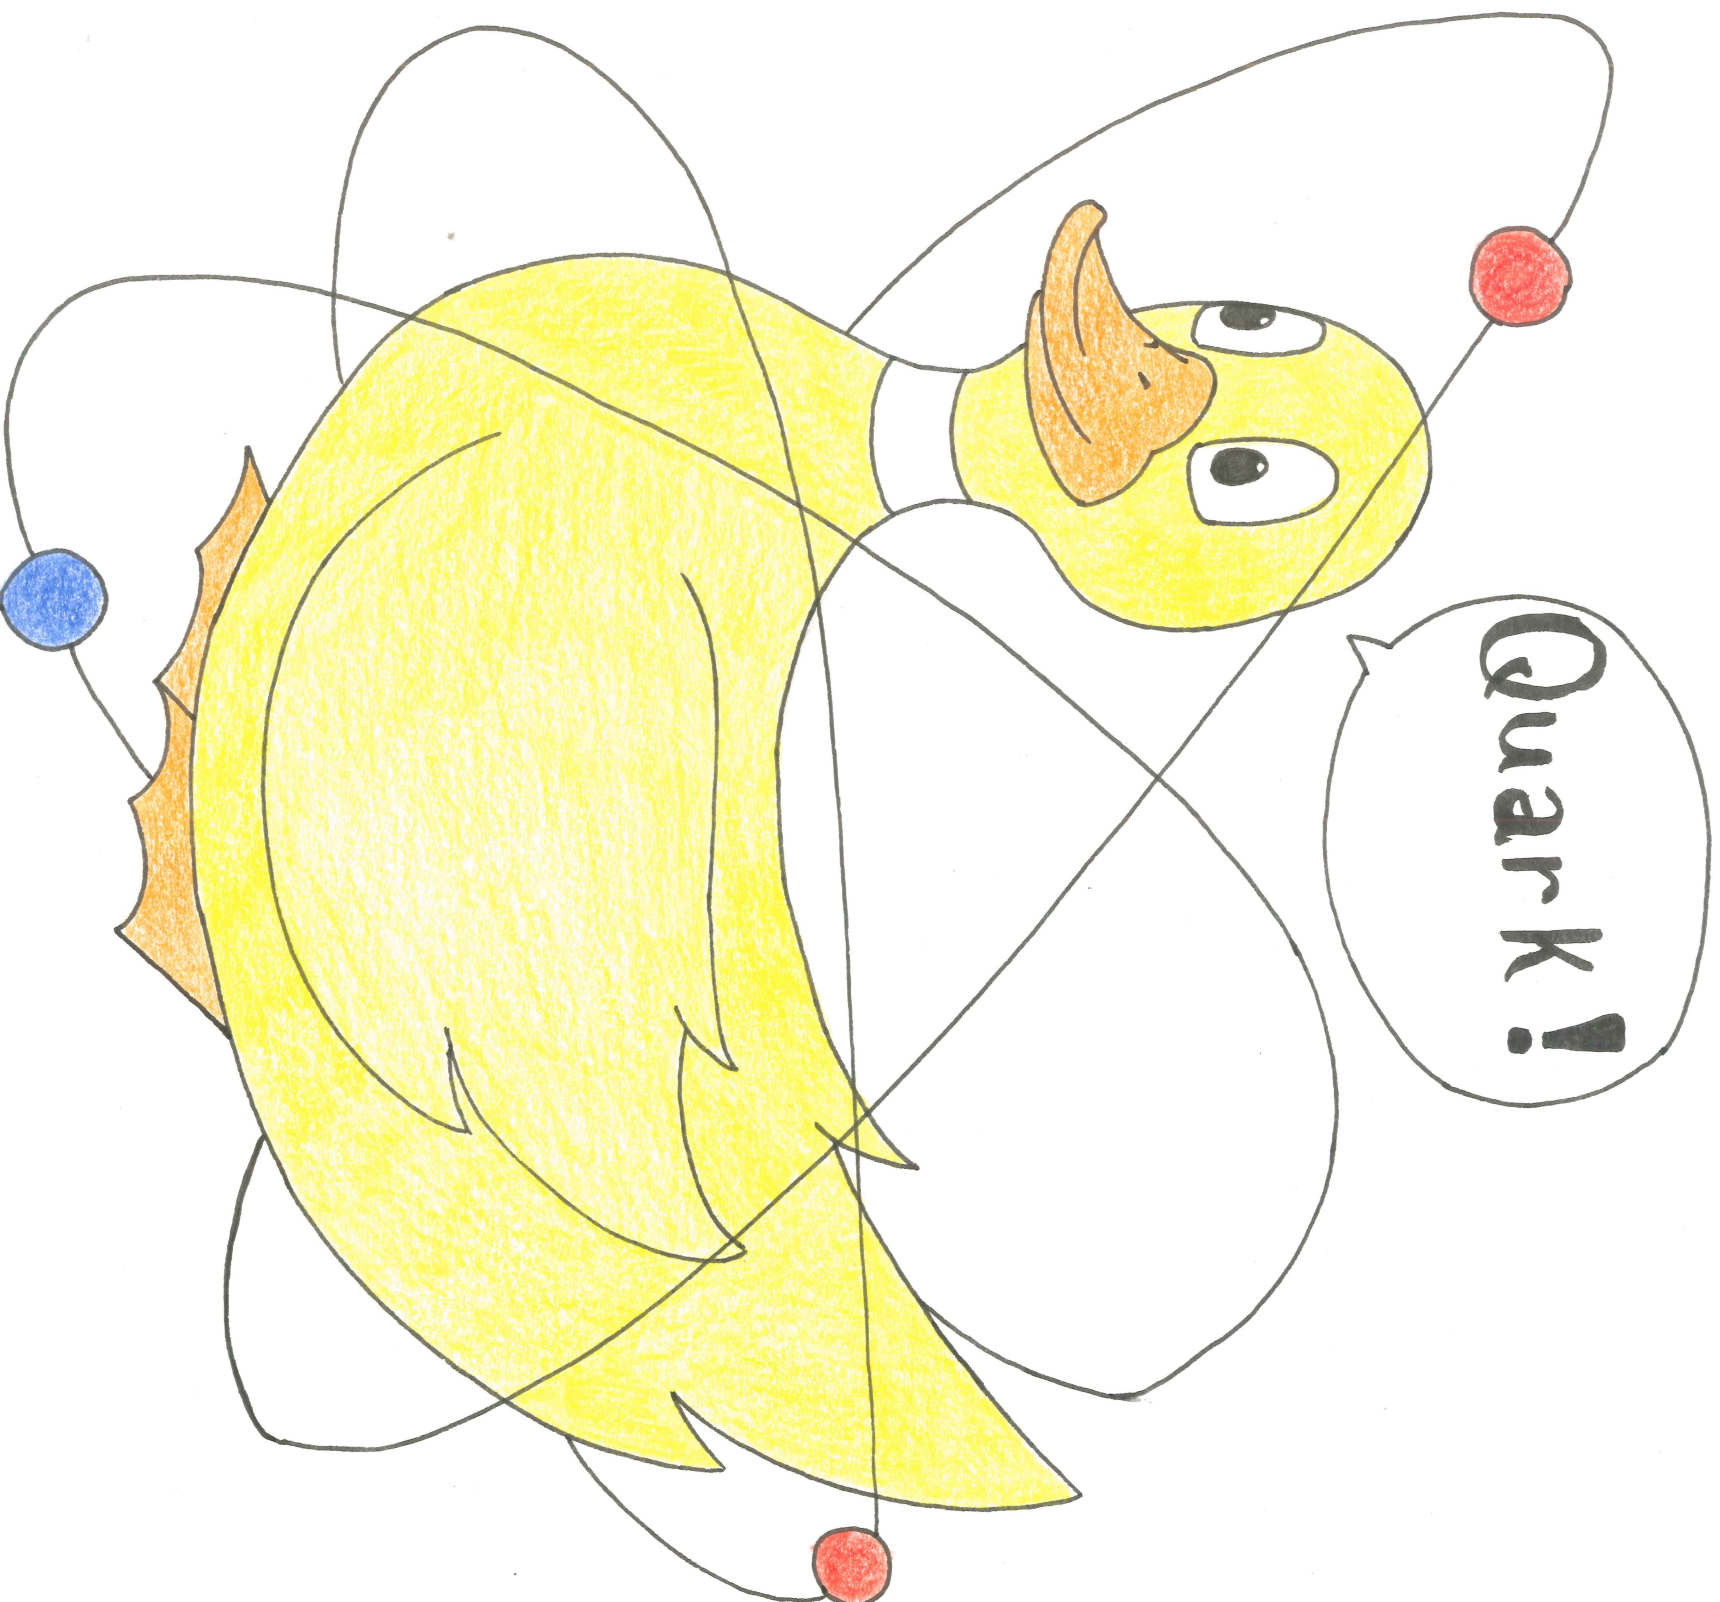

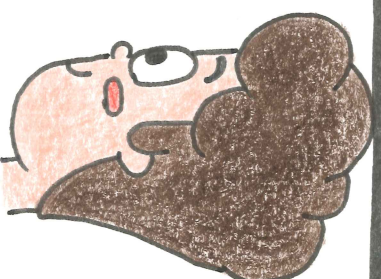

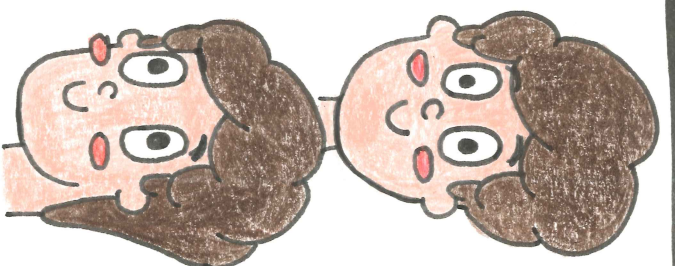

DUE GIORNI DOPO LORENZO PORTO' IL PICCOLO
BRUNO ALL' AEROPORTO PER LA SORPRESA
